Arts Camp Code of Conduct

PARENTS PLEASE READ, REVIEW WITH YOUR STUDENT, SIGN & RETURN TO EXPLORING THE ARTS – HURON COUNTY.

Welcome! Exploring the Arts – Huron County hopes to provide your child with a fun and positive experience they will remember for many years to come. To help us provide a safe, secure, and enriching environment for participants in our summer arts camp program, all participants are expected to follow the Code of Conduct and to interact appropriately and productively in a group setting.

As a part of our programs, Exploring the Arts – Huron County wishes to encourage and teach responsibility and respect. The Code of Conduct has been created to encourage all minors participating in Youth Programs at Exploring the Arts – Huron County to foster these traits.

Code of Conduct

As an Exploring the Arts- Huron County art camp participant I will:

- Show respect to other participants and treat them as well as I would like to be treated
- Show respect to staff and cooperate fully with their instructions
- Know and follow the rules of the program in which I am participating
- Respect the rights and beliefs of others, and treat others with courtesy and consideration
- Communicate in an appropriate manner; refrain from using foul language or gestures, harsh words or tone of voice.
- Conduct myself responsibly to avoid risky (or unsafe) horseplay, unwelcome teasing or other unkind behaviors.
- Use program equipment, supplies and facilities properly.
- Respect the property of others
- Refrain from use of electronic devices which are not part of my program experience
- Participate appropriately. I will not disrupt the program and hinder the learning experience of others.
- Always remain with my program group and not leave the program without permission
- Refrain from deliberately causing bodily harm to other participants or staff. I understand that pushing, kicking, hitting, or fighting are not acceptable and will not be tolerated.
- Be fully responsible for my actions and understand that failure to follow this Code of Conduct will result in disciplinary action, parent notification or expulsion from the program.

CONDUCT MANAGEMENT

Minor incidents of code of conduct violations will be brought to the student's attention and suggestions will be made on how to correct the behavior. Continued violation will result in a Time Out and notification of the parent. The staff will seek parental support to resolve issues and to encourage positive program participation. Participants who remain disruptive after consultation with the parents may be dismissed from the program.

PROGRAM EXCLUSION

Although every effort is made to correct code of conduct violations, at times it may be necessary for a participant to be dismissed from a program to ensure that other participants receive the positive experience Exploring the Arts – Huron County believes all participants should have.

We are sensitive to the safety and positive experience of all participants and as such the following will not be tolerated:

- Refusing to follow health and safety protocols such as making sure we respect personal space and refusing to follow safe hand-washing policies.
- Fighting or threatening of others (physical or verbal)
- Leaving the art camp program without permission
- Refusing to follow the code of conduct program specific rules.

In such cases the parent/guardian will be contacted by Exploring the Arts – Huron County staff and it is the responsibility of the parent to make immediate arrangements to pick up the child.

In the case of dismissal from the program, refunds or credits shall not be provided.

Thank you for taking the time to review this information with your child and helping to make Exploring the Arts – Huron County Art Camp programs exciting and enriching for all participants.
